## WELCOME AND OVERVIEW OF THE CONGRESS

On behalf of the Schoenstatt Family of Milwaukee, Wisconsin in the USA, we wish to extend a heartfelt invitation to you to join us for an International Congress celebrating the 50<sup>th</sup> jubilee of the founding of the Home Shrine on November 18, 1963. The Congress will be held at the International Schoenstatt Center in Waukesha, Wisconsin (1/2 hour from Milwaukee) from June 27 – 30, 2013.

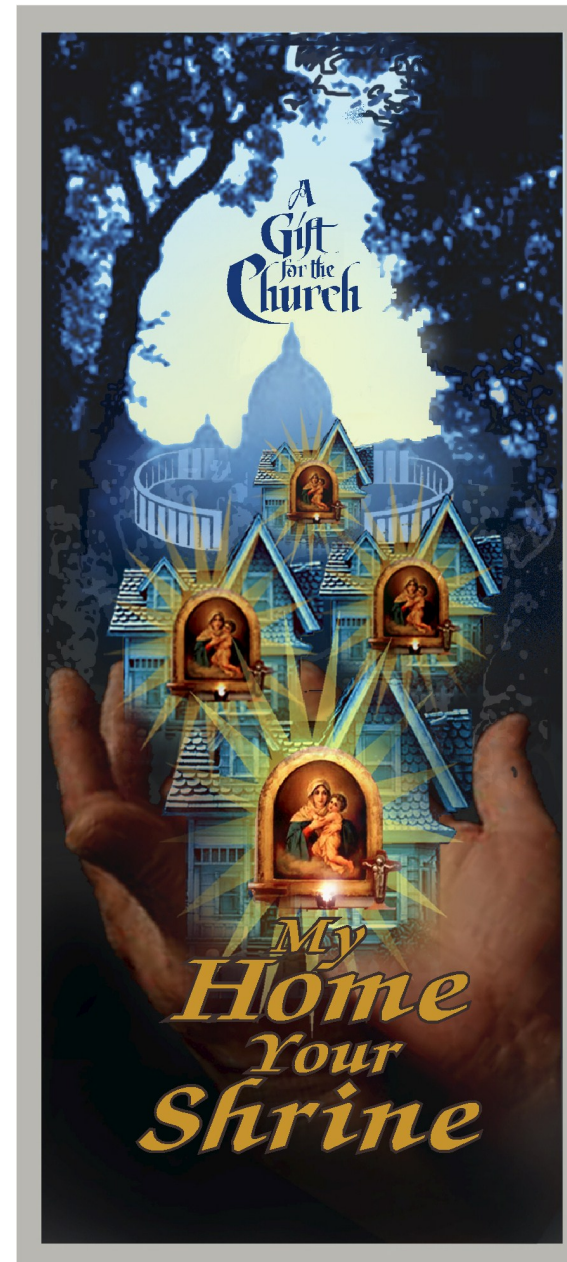

On November 18, 1963 Father Kentenich proclaimed, "Now you must pay careful attention. What I am about to say is of elementary importance for the future: Everything which holds true for the Original Shrine and for the daughter shrines also holds true for the home shrines." With these words he confirmed the initiatives from around the world, and specifically with the families he personally worked with in Milwaukee, that Divine Providence had given a new gift - the home shrine - to the Schoenstatt Family, the world and the Church. He recognized through the signs of the times that the home shrine would be a new in- break of the Divine for the family - a source of grace to provide a home in a homeless world, to transform and educate the family for the new challenges, and a place of apostolic fruitfulness for the renewal of the family and society.

The Congress will explore the history, reality and fruitfulness of the home shrine as a gift to the Church through presentations and testimony. We want to celebrate the jubilee as an international family and have a lively exchange of life for one of the most beautiful gifts of our father to his families, as we prepare ourselves for the great jubilee of 2014.

### THEMES

**JUNE 27 - THURSDAY: THE TIME OF THE HOME SHRINE IS NOW!**

Divine Providence is clearly directing our attention to the home shrine at a time when the concept of the family is being seriously attacked in our world. Our International Schoenstatt Family recognizes it as a unique gift which provides a life-giving response for the Church to the urgent needs in of our time.

**JUNE 28 - FRIDAY: THE VISION OF OUR FATHER AND FOUNDER**

From Santa Maria Brazil Father Kentenich wrote “Take the image of the Blessed Mother into your homes...” And then he waited for Divine Providence to provide the families to take this vision to heart. He patiently educated and observed the instruments God gave him in Milwaukee. Only then did he declare the famous words about this “new order of shrine” just as the Church was now declaring the image of the Domestic Church. On Friday night there is planned a reception to informally meet and talk with other Congress participants.

**JUNE 29 - SATURDAY: MY HOME SHRINE – A LIVED REALITY**

Do I really believe that my home shrine is a true Schoenstatt shrine with the accompanying graces? We need to answer this with a demonstrative - Yes! How do I know this is true? We have all seen the reality of the home shrine in the fruits and miracles that have come from it. We have seen the covenant of love lived in our marriage and family through the “living shrine” and customs to reinforce the faith and form our children. It is a lived reality!

- On Saturday night we will have a family night and cultural exchange from the different pilgrimages and countries.

**JUNE 30 - SUNDAY: MY HOME SHRINE – A GIFT TO THE CHURCH**

We believe that the home shrine is one of Schoenstatt’s greatest gifts to the Church for saving the family and a powerful instrument of evangelization. Through our lives of faithfulness to the covenant of love, lived in and through our home shrines, we present this gift every day anew to the Church on her journey to the new shores of time. We will celebrate a concluding sending out Mass from the shrine at St. Vincent Pallotti East in Milwaukee.

**CHILDREN’S PROGRAM**

A Home Shrine Congress cannot be without the entire family being present. Therefore your children of all ages are invited to attend this congress with you. There will be a children’s tent with a program just for them while the parents and young adults have their talks each morning. For other events the entire family will participate together in the program.
